**DE** Die HERCULES-Serie bietet drei individuelle hochwertige LED-Arbeitsleuchten für einen vielseitigen Einsatzbereich in Industrie, Bau, Handwerk, Werkstatt und vielem mehr. Robustes, schlagfestes 2-Komponenten Gehäuse aus Polycarbonat. Hocheffiziente LED-Einheit mit blendungsreduziertem opalem Diffusor für eine großflächig homogene Lichtverteilung. Flexibler Lichtwinkel durch verstellbaren Standbügel. Angenehmes Handling durch ergonomischen und gummierten Tragegriff.

**EN** The HERCULES series offers three individual high-quality LED work lights for a versatile range of applications in industry, construction, trade, workshops and much more. Robust, impact-resistant 2-component polycarbonate housing. Highly efficient LED unit with glare-reduced opal diffuser for homogenous light distribution over a large area. Flexible light angle due to adjustable stand bracket. Comfortable handling due to ergonomic and rubberized carrying handle.
