Description

The name FREE stands for freedom - freedom in the design of space and workplace. Flat elegant floor lamp made of extruded aluminium profile. Surface powder-coated in silver or black. Solid base plate for a secure stand. Optionally with indirect light component, giving rooms a uniform basic illumination. Thanks to its slender shape, it integrates discretely into your office environment. Thanks to innovative light control and microprismatic diffuser, FREE offers maximum glare-free lighting comfort. With integrated ON-OFF switch, optionally dimmable.
